Dear Credit Union Member,

You asked and we listened! We are expediting your transition from an RCT FCU account(s) to a Peach State FCU account(s) so that you have access to our products and services as soon as possible. On July 31, 2017 we will be performing a system conversion for all RCT members.

In order to conduct the conversion, the Richmond County BOE branch as well as the **Richmond County BOE transactions** at our Gracewood location will be closing at 2 p.m. on July 31st and will open for business at 2 p.m. on August 1st.

Please keep an eye out for another mailing that will arrive in the beginning of July. It will include a newsletter that contains all of the important details you will need for the system conversion, as well as specific instructions on accessing your new Peach State account.

Our intent has always been to ensure that your future banking needs will continue to be met, so that you and your family can build a financially strong and prosperous future. If you have any questions, please call 678.889.4328 to speak with a Member Service Advisor.

Sincerely,

Marshall Boutwell
President/CEO
